Newsletter Items

1) Check in with a Checklist

One to Ones are a way to connect or reconnect with members. We need to remind them that they are a member and we are grateful that they are still a member! Use your membership reports that are divided by site to divvy up members amongst site reps. Site reps then visit those members and on the checklist mark down the date, time, and duration of meeting.

2) Did you receive a salary increase (cost of living adjustment)? Invite your members to a paycheck explanation meeting. Provide desserts to go along with the "sweeter" paycheck.

a) Meeting invitation sample <https://docs.google.com/document/d/16aApb9j8vxeNNW-OVNtEbApS1rbf3SFrEh680cDbrRE/edit?usp=sharing>

b) Meeting slide show sample <https://docs.google.com/presentation/d/19xQBpVILUNwf624JIPSoFkTaXROd3tLf312M-CsKoAPM/edit?usp=sharing>

3) Let's reflect now that you've been doing M.E. for a few months..

To create a member engagement strategy, you'll need three main things:

1. Engagement Goals
2. Engagement Activities
3. Engagement Schedule

Where are you in this process? Meet with your M.E. team to reflect, but also strategize for what you will do differently next year!

Treasurer Report:

When you attend a conference and you are seeking reimbursement from the Steering committee please use the form at the link below. Attach all your receipts to this form and submit it to the RRC in person or email it all to Sara Chandroo and ask her to print/place it in my file (CC me on it too). You will be reimbursed up to \$600 (if you go over that you can always see if your local will cover the rest).

For those of you who will be attending Fall Leadership Conf. in Dec., you'll include your Thurs/Sat night meal and your mileage on this form, since the rooms and registration will be already covered by SCC and master billed you won't have that expense to get reimbursed. When you register you need to select the Steering Committee member option so you won't be charged reg. fee. Turn this into me ASAP following the conference (email is fine) I'd love to deal with SCC reimbursements right after the conference as soon as possible.

Other forms:

If you have mileage related to your committee work for SCC use this form Email it to Sara to print and CC me:

If you need reimbursement for non-conference related items, but that are for your committee please use this form. This would include any money that is already budgeted for your committee use. Please communicate this to any committee members you have who makes an approved purchase for your committee. This form should be sent attached to all receipts into the RRC- hard copy preferred, but email scan is ok too. Email it to Sara to print and CC me.
